**DONATIONS NEEDED** for our God's Work...Our Hands Sunday which will be held on Sunday, September 15<sup>th</sup>. We will be assembling "Blizzard Boxes" for the Meals on Wheels Program in Detroit Lakes. These "Blizzard Boxes" are given during a time when snow or a blizzard prevents them from deliveries. The following items are needed:

- A can of chicken and tuna (or 2 chicken or 2 tuna)
- One 14-15 oz. can of fruit or two 4-ounce containers of fruit
- One 14-15 oz. can of vegetables or two 4-ounce containers of vegetable
- 4 packs or saltines or 2 packs of cheese/peanut butter crackers
- 2 hot cocoa packets
- 2 desserts (granola bars, pudding cups, small packs)

Bring donations to the office. *Please help assemble them on September 15<sup>th</sup>!*

Words have power! In Hebrew..."debar" means both word and power....in Genesis, God spoke and the world was created.

In the opening of John's gospel, we are told that Jesus is the Word made flesh who came to dwell among us.

When Martin Luther created the Small Catechism he carefully explained the commandments....not only what we were NOT to do, but also how we could act in a positive manner that builds community.

The 8<sup>th</sup> commandment deals with how we use words....."You shall not bear false witness against your neighbor" What does this mean? "We are to fear and love God so that we do not betray, slander, or lie about our neighbors, but defend them, speak well of them, and explain their actions in the kindest way."

We know we live in contentious times. People are quick to judge, quick to accuse, and quick to take offense.

We as the church can lead by example in how we lovingly treat our families, our friends, our neighbors and each other. We can decide not to pass along rumors. We can decide to seek out accurate information from the source of decision makers and speak with them privately if we have a disagreement with a decision made. We can speak the truth in love and act kindly towards one another. We can set a tone of mutual support and care for each other and for the mission of the church, Grace Lutheran specifically.

You are always welcome at church council meetings and will be invited to share at the beginning of the meeting in order that you do not have to wait through other business (unless you want to stay for the whole meeting!)

Please share your ideas and concerns with members of the council or with me. We are in a time of change which can be uncomfortable, but can also be exciting.

God's mission has a church. We work hard to not only discern that mission, but also to be the hands, feet and heart of God's mission.

Peace be with you!

*Pastor Ann*

Well, here we are going into August and it won't be long until the Fall activities here at Grace will begin.

I do have some news to announce as a result of our monthly Council meeting held on July 23<sup>rd</sup>. First and foremost, we now have a signed agreement with Pastor Ann accepting our proposal for a change in her compensation and benefits package for her Call here at Grace. This has changed to 40% which is less than the 55% that we had been paying while partnered with Bakke. We do need to realize that it will cost more since we are no longer partnered with Bakke. And because we have been paying a higher share of expenses while partnered with Bakke and, we are in the middle of our "slow season" our finances have suffered. This combined with a hard winter that created higher utility bills and extra snow removal expenses, increased maintenance costs related to our old furnaces, as well as a decline in our weekly offerings now puts us in a position that requires all of us to reevaluate our giving habits.

It is not time to close the doors of Grace but it does require us to be concerned and to now do some catching up in order to live up to our budget. So please, consider doing an automatic deposit through VANCO or other means to insure that your giving gifts come regularly even when you cannot be in worship. Better yet, come to worship. You will be receiving your quarterly giving statement shortly. I sincerely encourage you all to take a hard look at it and think about what you can do to help Grace continue its mission.

On a lighter note we are excited that on September 1 our worship time will change to 9:30 AM. Sunday School remains at 10:00, coffee and fellowship will follow worship which will enable us to invite visitors for fellowship at that time.

Sunday School Rally day remains on September 8, 2019 and we are excited to see our children coming back to worship with us. It has been exciting to see our SS registration increase in the last year. This is in no small part, thanks to the efforts of our SS teachers Becky, Tracy and Glennis as well as the helpers that have volunteered to assist them and of course Pastor Ann. We are grateful for their knowledge and willingness to help Grace grow.

As you all know, we lost our brother in Christ, friend, cousin and partner in crime, David Nybo on July 12<sup>th</sup>. He always had a smile and positive attitude and was always willing to help in any way that he could. The kids loved him and his legacy will be that he touched the lives of so many during his time here with us. I suggest that we all think about that. I know I certainly have. He will be missed greatly by all who knew him.

### A LITTLE CHURCH HUMOR

Worried about the little country church's tough financial Straits, its pastor asked the parishioners to dig deep into their pockets. "Dig deep," she said over and over as the collection plate was passed down the pews. "Dig deep!"

At the end of the service, a young boy tugged on the pastor's robe. "Did you get the money you needed for the church?"

The reverend shook her head sadly. "I'm afraid we didn't dig deep enough today, young man."

"I know just how you feel, Reverend Sonya. I've been in the back yard digging to China all summer, and I'm still not there either."

Stevie had just completed a drawing in Sunday School that he had titled "Moses." The teacher was impressed, and asked him which person in the picture was Moses. "Can't you tell?" said Steve. "He's the one in the mountain climbing boots, carrying the fire extinguisher and bug spray."
